Spring is here again, tender age in bloom, he knows not what it means, sell the kids for food, we can have some more • The water is so yellow, I'm a healthy student, you're my vitamins • Take your time, hurry up, the choice is yours, don't be late • And just maybe I'm to blame for all I've heard but I'm not sure, I'm so excited I can't wait to meet you there but I don't care • I don't care if it's old, I don't mind if I don't have a mind, get away from your home • Have to have poison skin, give an inch take a smile • Never met a wise man, if so it's a woman, gotta find a way to find a way, I had better wait • One more special message to go, as defense I'm neutered and spayed, what the hell am I trying to say? I got so high that I scratched till I bled • The second coming came in last and out of the closet • At the end of the rainbow and your rope • Don't hurt yourself, I want some help to help myself, she's just as bored as me • I've got this friend you see, who makes me feel, I don't regret a thing • And the animals I've trapped have all become my pets • Our little group has always been and always will until the end, with the lights out it's less dangerous, here we are now, entertain us, I feel stupid and contagious, here we are now entertain us, a mulatto, an albino, a mosquito, my libido, yay, yay, a denial, I'm worse at what I do best and for this gift I feel blessed, I found it hard, it was hard to find, oh well, whatever, nevermind •
